## July 2018

### CANADA 150 PROJECT ... Allan Rix

On June 29 our much-anticipated benches arrived and were installed by our eager volunteers. With that delivery and installation our project was completed in time for Canada 151 on July 1<sup>st</sup>. We now have a gathering place by our mailboxes and have already had an opportunity to use the area for a social event. Hopefully we will have many more.

Thank you to all of you for so generously contributing to this Project. Your donations and efforts have made it a success. Below is an accounting of the fund-raising that was done along with the expenditures that were made in order to create this addition to our common land.

	<b>Income</b>
Funds raised in 2017	\$4,850.00
Donation in 2018	\$80.72
Total Income	\$4,930.72

  

	<b>Expenditures</b>
Flagpole	\$695.00
Two flags	\$115.00
RediMix concrete	\$17.29

## Block Watch Program

The Villas continues to be a Block Watch Community which basically means we keep a watchful eye out for anything in our complex which might give cause for alarm – garage doors open, newspapers and flyers accumulating on doorsteps, people who don't appear to belong in the neighbour prowling around etc. Also, if you are going to be away for more than a few days, please provide **Ed Shaback** with a contact name and phone number of a person who has access to your unit in the event of an emergency. This requirement is a benefit to our Corporations insurance policy with BFL Canada.
