## August 2018

### GET-TOGETHER AT THE BENCHES

On Friday August 10<sup>th</sup> we had a well-attended and enjoyable evening get-together around our Canada 150 benches. It was the hottest day on record for Calgary with the temperature topping out at 36.5°C. In spite of the heat 30 or our residents came out in the evening with a

selection of appetizers and desserts for all to enjoy. We stayed out until late, enjoying the camaraderie and warm summer air. We finally packed up in the dark, quietly returning to our homes, taking warm memories with us and leaving only footprints on the turf.....

### VOLUNTEERS NEEDED ... Allan Rix

One of the areas that has never been assigned to the care of Green Acres is the forested area where the stairway from the Rocky Ridge Villas to the Ranch Centre used to be. This is the area behind the Canada 150 benches on the slope up to the chain link fence. It periodically needs some weeds pulled and suckers snipped off to keep it looking decent. If you would be able and willing to help clean up this area please come out to our common land on Thursday, September 6<sup>th</sup> from 10 am to 12 noon or from 2 pm to 4 pm. Bring your gardening gloves and pruning shears (if you have them). If we need to re-schedule as a result of the weather please watch the bulletin board. Thanks.
