## What's Happening Around The Villas

### NEW OWNERS SOON TO BE JOINING US

You may have noticed a sudden flurry of activity at 108 Rocky Ridge Villas, which has been unoccupied for quite some time. This unit was recently sold to a couple who already reside in Rocky Ridge. The owners took possession of their villa on Thursday, February 24<sup>th</sup>. Before they move in they plan to personalize their new home by having contractors do some renovations for them, hence the construction trailer and dumpster in their driveway. They anticipate the work may take a couple of months so they'll have plenty of time to pack their belongings before they actually move in. We want to warmly welcome them to our community.

In the interests of protecting their privacy we won't identify them by name in this newsletter. Residents can look them up in the new phone/email directory or the community map that is sent out with this edition of the Villa Views. Both of these documents can also be viewed in the protected part of the Villas of Rocky Ridge Ranch website.

### GREEN ACRES 'WINTER' SERVICE CONTINUES UNTIL APRIL 15<sup>th</sup>

In accordance with their new contract, Green Acres will continue to remove snow and ice up to April 15<sup>th</sup> this year. This is two weeks longer than their previous contract had allowed. Last year's snow service ended on March 31<sup>st</sup>.
